

This corrigendum contains the following:

- Amendment to Clause 3.3.1
- Revised Timelines for Bidding Process

### 1 Following statement of Clause 3.3.1 stands modified as mentioned below:

**Existing:** Aggregate Allocated Capacity across all Bids submitted by a Participating Entity shall not exceed 300 MW; however the Authorised Representative reserves the right to change Aggregate Allocated Capacity at any time during the Bid process without assigning any reasons whatsoever. And this limit shall be applied in the ranking order of allocation as specified in Clause 4.1.3 of this RFS;

**Modified:** Aggregate Allocated Capacity across all Bids submitted by a Participating Entity shall not exceed 500 MW; however the Authorised Representative reserves the right to change Aggregate Allocated Capacity at any time during the Bid process without assigning any reasons whatsoever. Further this limit shall be applied in the ranking order of allocation as specified in Clause 4.1.3 of this RFS;

### 2 Clarification on Controlling Shareholding:

**Clarification:** Wherever used the RFS documents, Controlling Shareholding shall mean direct ownership of voting rights and paid up share capital (including fully, compulsorily and mandatorily convertible Preference shares/ Debentures)
